Disney Pixar FINDING NEMO

OUR GAMES!

Successful project releases, soft launches and planned projects for the future!

WHAT! THE HEN!

✕ Tower Defence

✕ CCG

What the Hen! is a funny and hilarious battle game where you must spawn your heroes and get to the battles. Elevate every minion through upgrades and evolution. Triumph over challenging bosses and conquer the campaign adventure.

POCKET NECK MANCER

🔔 Soft Launch

⌘ Rogue-like

⌘ RPG

👤 Partnered with: 

Summon your loyal minions and embark on an epic battle against the evil corporation! Experience a modern-day fantasy adventure filled with light RPG elements and hilarious antics. Are you ready to defend your mansion?

TRAIN KING - TYCOON -

 Soft Launch

 Tycoon

 Simulation

 Partnered with: **BOOMBIT**

Train King Tycoon is a train tycoon game with puzzle production core loop. Game progression is driven by a map economy system, where players have to manage their resource inventory, dispatch appropriate trains, and generate profit to expand their production options.

TRIPP®

 Mindfulness App

 Augmented Reality

 Partnered with:  TRIPP

TRIPP Mobile is a mindfulness application for mobile platforms that includes cross-platform features with VR port. It also includes AR features that are currently under the development.

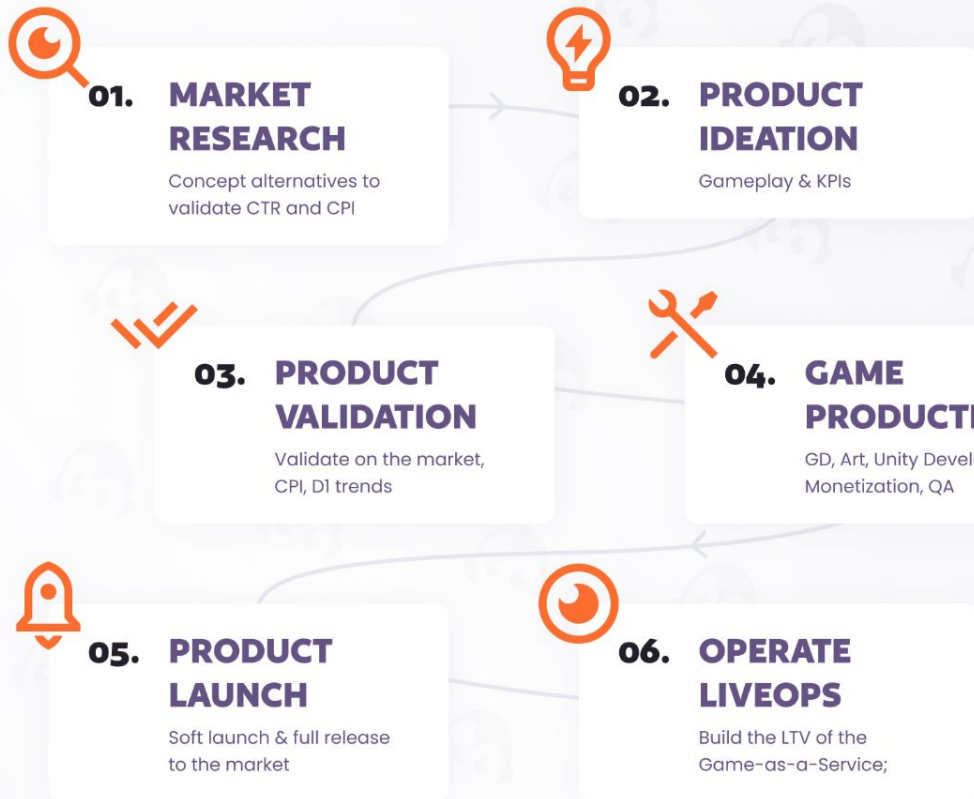

HOW DOES IT WORK?

We provide game development services and work for hire!

We take care of your project from top to bottom, covering multiple streams of work; or we join your team and work together to achieve the greatest results!

Make sure to get in touch with us and learn more about the possibilities of our cooperation.

www.chargedmonkey.com

CO-DEVELOPMENT

We work together on a project and share the success! The teams work closely in sync and deliver the best results.
